

# MAKE THE WORLD A BRIGHTER PLACE. WHY NOT?

**We are Covestro. We are curious. We are courageous. We are colorful. We redefine chemical material solutions with game-changing products. Let us empower you to push boundaries. Join us and our 18.150 colleagues and together we will MAKE the world a brighter place.**

## Intern (m/f/d) Business Entity Controlling

### YOUR TASKS AND RESPONSIBILITIES

You will be working in Performance Materials Controlling, a department in the CFO area supporting the largest Business Entity of Covestro. During your internship you will take over task and responsibilities like for example

- Support planning- and forecasting processes
- Help to review and analyze manufacturing costs and variances to help ensuring accuracy of financial reporting
- Prepare presentations and reports for high level management of Covestro
- Support ad hoc analysis of relevant business data
- Help to develop conceptual changes to business processes to improve efficiency

### WHO YOU ARE

- You are a master student (m/f/d) in Economics, Accounting, Finance or similar studies
- You have first practical experience in Controlling
- You have strong analytical skills which can be supported by academic qualifications
- You are service and team-oriented, able to work independently as well as within a team and possess the ability to think creatively and innovatively
- You have the ability to multi-task, deal with high workload and deliver to a high standard
- You have strong user experience in MS Office (especially Excel and PowerPoint)
- Excellent English both written and verbal is required, German is desirable

The internship position is to be filled as soon as possible and the duration is 6 months preferably, but a later starting date is possible. First questions will be answered by Ms Mara Lammers, Phone: +49 214 6009 4365.
