

Doctoral thesis at the Institute for Entrepreneurship at the WWU

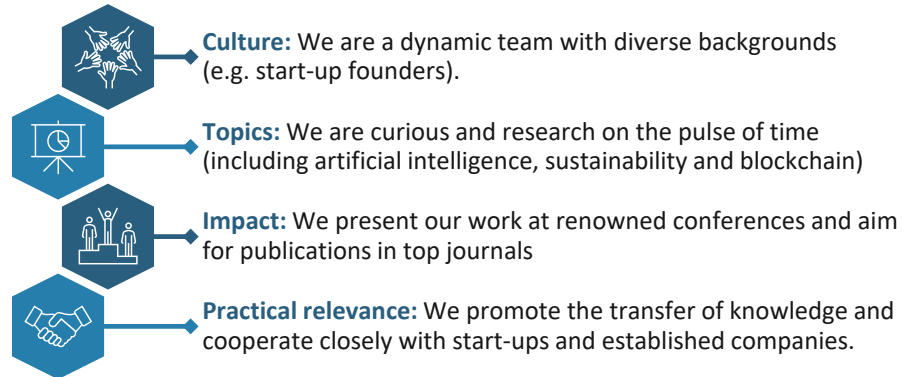

As part of the DFG-funded research project "RES²CUE", we are looking for new PhD students from Ukraine at the Institute for Entrepreneurship. **We are looking forward to receiving your application in a complete PDF file** including CV and references to ent@wiwi.uni-muenster.de.

Who are we?

The **Institute for Entrepreneurship** works at the interface between established companies and start-ups. Through our anchoring in the **Centre for Management**, we train the young leaders of tomorrow. With our location in the **REACH - EUREGIO Start-up Center**, we directly shape the transfer into practice.

What distinguishes us?

What is being researched in the RES²CUE project?

-  **Connection** between drastic life events and entrepreneurship
-  **Influence** of refugee experiences in the management team on entrepreneurial resilience
-  **Effective measures** to promote and support entrepreneurship among refugees

You fit into our team if you ...

- #1** ... have **completed a Master's degree** or are about to do so. The subject is not crucial, but knowledge of topics related to entrepreneurship is an advantage.
- #2** ... have a good **command of English**, a sound knowledge of **quantitative methods**, and optionally **relevant professional experience**.
- #3** ... have **teamwork, organisational and communication skills**, as well as an **independent way of working** and a passion for researching a topic of your interest as part of a dissertation.

These are Your advantages

- Process safety:** Regular feedback for steady dissertation progress
- Theory + practice:** Interacting with companies and start-ups transfers knowledge
- New perspectives:** Cross-functional collaboration with other disciplines
- Top University:** The University of Münster enjoys a high international reputation

The WWU is committed to gender equality and aims to increase the proportion of women in research and teaching. Applications from women are therefore expressly welcome; women will be given preferential consideration in cases of equal suitability, ability and professional performance, unless reasons relating to the person of a competitor outweigh this. The WWU has set itself the goal of employing more people with disabilities. Applicants with recognised severe disabilities will be given preference if they have the same qualifications.
