Detailed information to follow in lecture 1 (06.06)

FAQ | Your questions will be answered - this booklet will be updated on a regular basis to reflect the inflow of your questions

Please do **NOT** ask any questions about the course by email. Please use the [Learnweb forum](#) instead. Mail is only allowed for very personal issues and will not be responded otherwise.

Questions

Answer

1

When will the course be available on Learnweb?

The course will be open for enrollment (password-protected) from the first lecture.

2

Who should we contact in case of any questions?

Before the lecture starts (**before** 06.06.): All information can be found in this booklet.

Once the lecture has started (**after** 06.06.): Due to the amount of students in this class, please refrain from contacting us via email. Please **only use the Learnweb discussion forum where we will respond in due time**. We want to ensure that all information is communicated transparently.

3

What if my question is not covered in this booklet?

While, in principle, we cannot respond to your emails, you may inform us of aspects we might have overlooked. Please weigh off carefully (!) whether your question warrants an email prior to the start of this class. If your question is applicable to everyone, **we will update this booklet** accordingly.

4

Which language is this course taught in?

All lectures and tutorials will be held in **English**. The same holds for the exam – you will be allowed to bring a dictionary (English - native language dictionary are allowed).

5

What kind of calculator can I use during the exam?

You may use a **non-programmable (!) calculator**. We will check this – any incidents will be followed up strictly and may result in the termination of your exam.

Thank you!
