

# Job Opportunity as Interviewer

We are looking for **20 interviewers** to support a survey of a leading German machine tool manufacturer at the **EMO machine tool fair** from **17. to 23. September 2023** in Hannover.

## The Job

We are Westfaliq - a privately organized research initiative that aims to unite researchers and practitioners.

Your job at the machine tool trade fair is the **independent acquisition** of survey participants as well as the **conduction of a predefined survey** via iPad.

---

## What we offer

The compensation for the entire period is **900€ plus food**. Accommodation and transfer to Hannover will be organized from Westfaliq. In addition, we offer all participants a letter of reference.

The working hours are not yet finalized but they are in the range of:

- 17. Sep.: 12:00 – 18:00  
Introduction and briefing
- 18. – 23. Sep.: 09:00 – 18:00  
Conduction of the survey

---

## What we are looking for

Applicants should have an **outgoing personality** and **good communication skills**. **Fluent knowledge of German and English** is also required. An advantage is knowledge in other languages or first experiences as an interviewer. Furthermore, applicants should be **reliable** and able to work under stress.

Have we sparked your interest?

Then we are looking forward to your application. Please **email your application to Wiebke Töns** (meetings are scheduled first come, first serve): **wiebke.toens@westfaliq.com**.
