

# Beispielhafte Studienverlaufspläne (SoSe)

Um die Planung des VWL-Masterstudiums zu erleichtern, sind **sechs** beispielhafte Studienverlaufspläne bei Studienbeginn im Sommersemester mit unterschiedlichen Schwerpunkten dargestellt. Durch die Bildung von zwei bis drei thematische Schwerpunkten können die Inhalte des Studiums näher an zukünftigen potenziellen Berufsfeldern ausgerichtet werden.

Bei allen Plänen handelt es sich um Vorschläge. Jedes Wahlpflichtmodul kann durch ein alternatives Wahlpflichtmodul ersetzt werden. Informieren Sie sich zusätzlich auf den **Homepages der Lehrstühle/Institute** und im **Vorlesungsverzeichnis**, ob und wann die jeweiligen Veranstaltungen und welche zusätzlichen Veranstaltungen angeboten werden.

Allgemeiner Studienverlaufsplan bei Beginn im Sommersemester:

## Study Plan Master Economics

|  |  |                                     |                                       |                   |                    |
|--|--|-------------------------------------|---------------------------------------|-------------------|--------------------|
| <b>1<sup>st</sup> Semester</b><br><b>Summer term</b> | Mandatory module 1: Regulatory Economics | Elective module 1                   | Elective module 2                     | Elective module 3 | Elective module 4  |
| <b>2<sup>nd</sup> Semester</b><br><b>Winter term</b> | Mandatory module 2: Microeconomics       | Mandatory module 3: Macroeconomics  | Mandatory module 4: Empirical Methods | Elective module 5 | Elective module 6  |
| <b>3<sup>rd</sup> Semester</b><br><b>Summer term</b> | Mandatory module 5: Project Studies*     | Elective module 7                   | Elective module 8                     | Elective module 9 | Elective module 10 |
| <b>4<sup>th</sup> Semester</b><br><b>Winter term</b> | Elective module 11                       | Mandatory module 6: Master's Thesis |                                       |                   |                    |

The elective modules can be chosen by any courses from the current course offer. You will find information about this in the module guide book and in the course overview. Some exemplary study plans with different thematic focuses can be found on the following pages.

\* The module Project Studies can alternatively be completed in the 4th semester before Master's Thesis.

Beispielhafter Studienverlaufsplan 1:

## Example: Focus on Economic Policy and Regulation

|  |                             |                              |   |   |  |
|--|-----------------------------|------------------------------|---|---|--|
| <b>1<sup>st</sup> Semester</b><br><b>Summer term</b> | Regulatory Economics (MP 4) | Mathematical Methods (MWP 5) | Selected Topics in Econometrics (MWP 23-26) | Current Issues in Social and Fiscal Policy (MWP 11) | Trade and Company Law (MWP 14)         |
| <b>2<sup>nd</sup> Semester</b><br><b>Winter term</b> | Microeconomics (MP 1)       | Macroeconomics (MP 2)        | Empirical Methods (MP 3)                    | Economic Policy (MWP 1)                             | Digital Economics (MWP 23-26)          |
| <b>3<sup>rd</sup> Semester</b><br><b>Summer term</b> | Project Studies* (MP 5)     | Public Economics (MWP 4)     | Advanced Public Choice (MWP 23-26)          | Regional Economics (MWP 34)                         | Seminar Platform Economics (MWP 28-33) |
| <b>4<sup>th</sup> Semester</b><br><b>Winter term</b> | Fiscal Policy (MWP 16)      | Master's Thesis (MP 6)       |   |   |  |

All proposed elective modules can be exchanged by any other modules. According to §7 (3) of the Examination Regulations, some Bachelor courses can be chosen as basic modules in the Master's programme.

\* The module Project Studies can alternatively be completed in the 4th semester before Master's Thesis.

 Mandatory Modules

 Focus Area: Public Economics

 Focus Area: Economic Policy
