

THE BUSINESS OF LUXURY

**NICE CAMPUS,
JUNE 24TH – JULY 5TH 2024**

The French Riviera: the perfect location to study Luxury

Have you ever wondered why **France** is the country of origin of so many **Luxury brands**? Why the **South of France** hosts most of **world-class fragrances** and **ultra-luxury events** and **services**?

Studying **luxury management** in **Nice**, a **UNESCO World Heritage site**, will allow students to experience luxury retail, yachting, fragrances, ultra hospitality, palaces, automobile, private jets, events, etc at their fingers tips.

During **2 weeks**, master or upper undergraduate students of the Business of Luxury summer programme will understand the luxury sector and its specificities in a location where famous brands originate from. Upon completion of the programme, students will receive **6 ECTS** (3 international credits).

LUXURY MANAGEMENT

🕒18H

The luxury industry is a major aspect of the French economy.

The course will provide students with a cultural, historical and economic overview of the industry and will introduce them to the specificities of a luxury strategy, with a focus on the customer experience in stores.

PERFUME MARKETING AND VALUE CHAIN

🕒12H

The Fragrances & Cosmetics sector is one of France's industry flagships.

Upon completion of this course, participants will be able to better apprehend the evolution of this industry towards more sustainability, and develop a pertinent offering on the market. One day will be dedicated to visiting the Grasse fragrance ecosystem.

LUXURY SERVICES AND HOSPITALITY MANAGEMENT

🕒12H

The delivery of luxury services and experiences is booming — much of which is driven by hospitality.

This course gives students the keys to understanding, creating and managing value in the luxury services sector, with a focus on the luxury hospitality sector. One day will be dedicated to visiting the Monaco Luxury ecosystem.
