

⌘ RWE FINANCE

Graduate Programme

Duration: Two years

Start date: September 2018

Rotations: Four, each lasting six months

Where: Essen, Swindon and London

WHAT TO EXPECT

The RWE Finance Graduate Programme will give you significant exposure to all aspects of our value chain, equip you with an understanding of how we operate as a company, and lay the foundations for your future career. You get to choose four rotations in the following business areas: Controlling, Credit Risk, Accounting, Financing and Portfolio Management.

Throughout your Graduate Programme, you'll learn through a mixture of online education, face-to-face workshops and technical on-the-job training, and by working alongside industry experts and being exposed to every aspect of the energy value chain. This will be supplemented by a variety of development opportunities and networking events.

WHAT YOU'LL NEED

- ⌘ Above-average university degree
- ⌘ Strong analytical skills
- ⌘ Highly motivated and proactive attitude, combined with the ability to work independently
- ⌘ Excellent communication skills with fluent English
- ⌘ Ability to learn quickly and take accountability
- ⌘ Resilient and hardworking nature
- ⌘ Strong team-working skills
- ⌘ Ideally, knowledge of IFRS/IAS and HGB
