REFERENT ACCOUNTING PRINCIPLES AND PROJECTS m/w/t

RWE Supply & Trading GmbH, Essen, Germany
Start: asap, full time, permanent

You offer patented solutions, in particular for issues relating to IAS & IFRS in connection with financial instrument / commodity transactions. Also, you know how to further develop accounting principles, work with the preparation of quarterly financial statements and support in new product, acquisition and investment projects.

Your future plans

- Assessment of IAS / IFRS issues, in particular financial instrument / commodity transactions (eg IFRS 9, IFRS 16, IAS 37, IAS 2)
- Further development of the accounting principles relevant to RWE Supply & Trading GmbH
- Coordination of Group-relevant IAS / IFRS issues from the point of view of RWE Supply & Trading GmbH
- Participation in the preparation of quarterly financial statements according to HGB / IFRS (eg provisions, notes)
- Support for new product, acquisition and investment projects
- Sparring partner for Front Office and other Support Functions for accounting related questions
- Participation in the drafting of decision making documents for the committee referral as well as contact person for auditors

Your powerful skills

- Study of economics or an equivalent education with very good IFRS and good HGB knowledge
- Experience in project management and communication skills within the team
- Interested in getting involved to world of the energy business and high level of personal commitment
- Good command of spoken and written English

Benefits you can rely on
